 **Founded: January 2005**

 **Specialization: Rigging & Lifting Solutions**

 **Location: [Location not specified in document]**

Our Mission

Delivering exceptional safety, efficiency, and reliability through specialized rigging and lifting solutions.

Pro-Rig Trading Enterprises

Core Pillars

Expertise

Specialized knowledge and experience in rigging and lifting operations.

Safety

Unwavering commitment to safety in all operations and practices.

Services

Comprehensive range of rigging and lifting solutions.

People

Skilled and dedicated professionals committed to excellence.

Core Services Portfolio

Load Testing

Comprehensive load testing services to ensure equipment integrity and safety compliance.

Equipment Inspection

Thorough inspection of lifting equipment to maintain safety standards and operational efficiency.

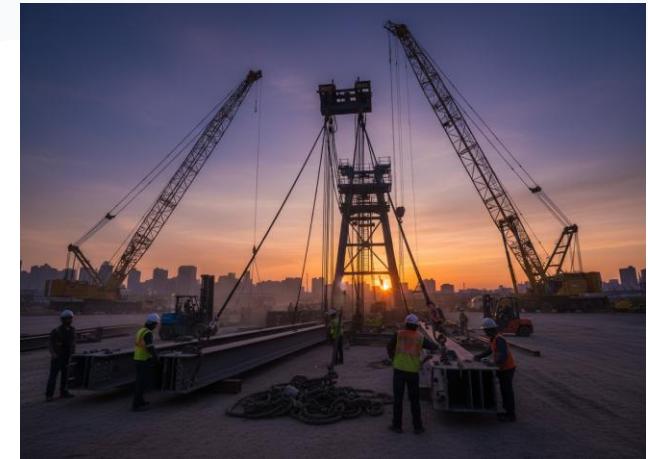

Specialized Rigging

Custom rigging solutions for complex projects requiring expert planning and execution.

Supply of Rigging Equipment

We handle machinery moves, construction erections, maintenance work, long-term projects, and shutdowns. Each rigging team includes a Red Seal Rigger and an assistant. We provide full rigging studies, method statements, and equipment to ensure every project is completed safely, efficiently, and on time. Our services support the chemical, oil and gas, processing, power generation, renewable energy, and infrastructure sectors.

Our Service Approach

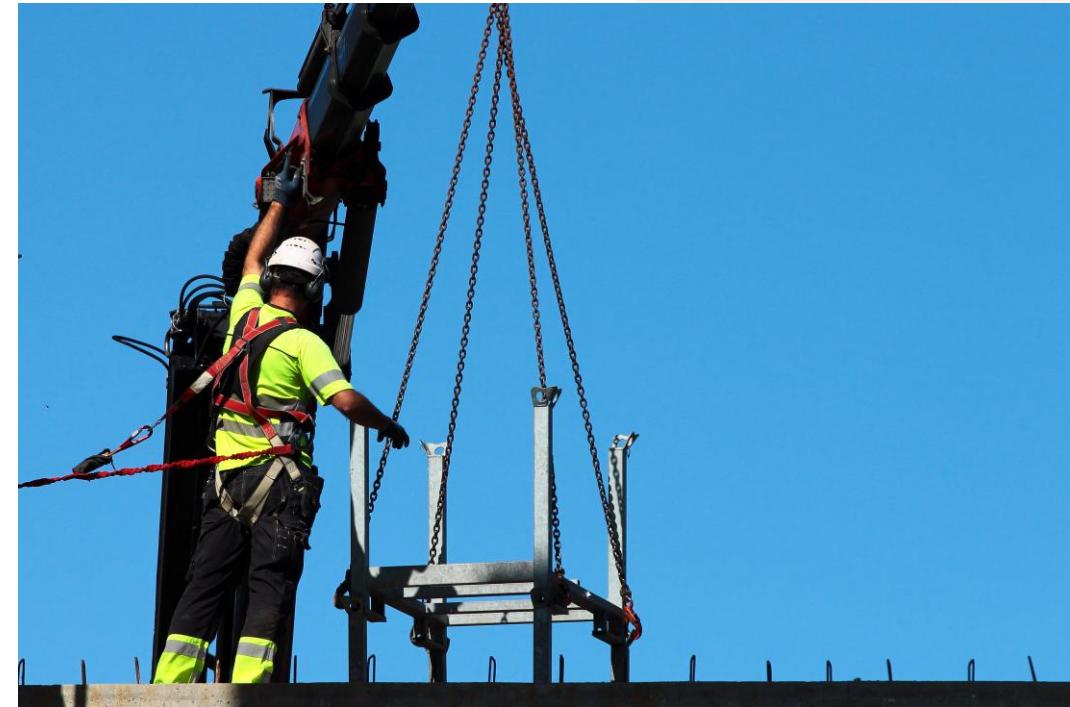

We combine technical expertise with safety excellence to deliver comprehensive solutions for all your rigging and lifting needs.

- ✓ Safety First
- ✓ Technical Excellence
- ✓ Client Satisfaction

PROFESSIONAL RIGGING SERVICES

"KEEP CALM AND TRUST OUR RIGGERS"

- ✓ **Rigging Studies:** Comprehensive planning for complex lifts.
- ✓ **Method Statements:** Detailed safety protocols for every project.
- ✓ **Competent Teams:** Each crew led by a certified Competent Rigger with qualified assistants.
- ✓ **Efficiency:** Timely and cost-efficient execution of maintenance and erections.
